

PRESS RELEASE

The SunBorne Companies announce completion of a lease agreement with DAS International Jet Spares, Inc. for 2,400 square feet of office space at SunBorne's InterPort Blvd. Office/Hangar.

Englewood, Colorado, April 26th, 2012. The SunBorne Companies announced on Thursday the completion of a lease agreement with DAS International Jet Spares, Inc. ("DAS") for 2,400 square feet of office space at SunBorne's InterPort Blvd. Office/Hangar facility. DAS has already relocated to the InterPort Blvd. Office/Hangar facility and is fully operational in their new suite.

DAS has been providing aircraft parts to civil and military operators across the world since 1998. DAS specializes in, but is not limited to providing parts for the Boeing 737 series, Jetstream model 31/32/41, Embraer 120/145, Beechcraft King Air/1900 series and Lear 31/35/45. For more information on DAS International Jet Spares please visit their website at www.dasijetspares.com.

About Centennial InterPort™

Centennial InterPort is a 125 acre master planned aviation development located on the south side of Centennial Airport (APA). Centennial InterPort currently offers 203,000 square feet of existing hangar and office space with another 221,000 square feet in the design and development stage. A broad range of fully finished building sites are also available that have been carefully planned and designed to support a variety of aviation activities and services.

About the SunBorne Companies

The SunBorne companies are a host of entities principally represented by SunBorne XVI, Ltd. These entities operate jointly to conceive, plan, design, process, construct and operate the 125 acre property at Centennial Airport known as Centennial InterPort.
